Description

A beautifully presented Grade II listed home set within an exclusive and well regarded development, combining period character with modern comfort. The property offers a bright and spacious open-plan living area with high ceilings and elegant sash windows, allowing plenty of natural light to fill the space. The high specification kitchen is thoughtfully designed with an island, integrated appliances, and ample storage, with French doors opening directly onto a private enclosed garden, creating an easy flow for both everyday living and entertaining.

Upstairs, there are two generous double bedrooms, both benefiting from their own en suite bathrooms, including a well appointed principal suite with built-in storage. A standout feature is the mezzanine level, added by the current owner at considerable expense, which provides a fantastic and versatile space ideal for a home office or reading area, complete with elevated views. Further enhancements include electric fitted blinds for added comfort and convenience, allocated parking, and a long lease, making this a rare opportunity to acquire a stylish home in a sought-after setting.
