A beautifully presented four bedroom detached family home situated in a quiet cul de sac in a sought after village with excellent local amenities. This stylish property seamlessly combines modern living with exceptional comfort.

The ground floor comprises a spacious living room and separate bright and airy dining room, having unique and bespoke serving doors which are glazed and give access to the kitchen. The modern "L shaped" kitchen benefits from a range of integrated units. In addition, there is a useful shower room.

The first floor features three spacious double bedrooms with made to measure built in wardrobes and matching units. A fourth single bedroom could also be used as a home office, and a family bathroom.

To the side of the property there is a permeable block paved driveway which provides parking for up to three vehicles. The single garage has power points and lighting and gives access to the rear garden. To the rear of the property the landscaped garden, has high hedges and fences and offers a good degree of privacy. A raised patio area allows you to enjoy the scenic views over the surrounding fields. In addition, there are flower beds, lawn and apple trees. The house is situated at the end of Dykes end which is a no through road. Viewing is highly recommended.

Located in the sought-after village of Collingham, the property benefits from great transport links, with convenient access to the A1 and A46 dual carriageways. Fast and frequent rail services are available from nearby Newark Northgate station, offering direct trains to London King's Cross in approximately 75 minutes. Collingham is conveniently positioned for access to Newark, Lincoln and Nottingham all within easy commuting distance. The surrounding countryside provides an abundance of scenic walking and cycling routes, with a network of footpaths, quiet country lanes, and local nature reserves connecting nearby villages with the advantages of local amenities such as doctor and dental practice with local food shops too.

This detached house is constructed of brick elevations under a tiled roof covering. There are uPVC double glazed windows. The central heating system is gas fired with a combination boiler and radiators being fitted in 2010.
