Every care has been taken with the preparation of these Particulars but complete accuracy cannot be guaranteed. If there is any point, which is of particular importance to you, please obtain professional confirmation; alternatively, we will be pleased to check the information for you. We have not tested any apparatus, equipment, fixture, fittings or service and so cannot verify they are in working order, fit for their purpose, or within ownership of the sellers. Items shown in photographs are NOT included unless specifically mentioned in writing within the sales particulars. They may however be available by separate negotiation.

These details are prepared as a general guide only, and should not be relied upon as a basis to enter into a legal contract, or commit expenditure. An interested party should consult their own surveyor, solicitor or other professionals before committing themselves to any expenditure or other legal commitments. If any interested party wishes to rely upon any information from the agent, then a request should be made and specific written confirmation can be provided. The agent will not be responsible for any verbal statement made by any member of staff, as only a specific written confirmation should be relied upon. The agent will not be responsible for any loss other than when specific written confirmation has been requested.

All Dimensions are approximate. Items shown in photographs are NOT included unless specifically mentioned in writing within the sales particulars. They may however be available by separate negotiation.
