Ali & Neelie love their home and had this to say....."What we love most is the feeling of privacy and space. We're not overlooked, and waking up to the trees and birdsong makes it feel wonderfully peaceful and remote, yet we're still incredibly well connected, with the local train station, A24 and Gatwick all within easy reach. We also love having a friendly village shop nearby and being able to step straight from our back gate into beautiful woodland walks."

Set along a private drive on the edge of the charming village of Ockley, this exceptional detached family home offers space, privacy, and a remarkable standard of finish. Rebuilt entirely by the current owners in 2021, the property has been thoughtfully designed to combine modern luxury with a warm, welcoming atmosphere.

Upon entering, you are greeted by an inviting entrance hall that sets the tone for the rest of the home. To the left, a substantial drawing room provides an impressive yet comfortable living space, complete with a log-burning stove and bi-fold doors that open onto and frame the beautiful gardens. Beyond, two generously sized double bedrooms with vaulted ceilings are served by a stylish separate shower room.

To the rear of the property lies the heart of the home: a stunning kitchen/dining room featuring a central island and a striking picture-frame window that perfectly captures the surrounding garden views. Adjoining the kitchen are a well-proportioned utility room and a practical boot room, ideal for family living.

To the right of the entrance hall are three further versatile bedrooms, currently arranged as studies, along with a well-appointed family bathroom. Upstairs, the principal suite offers a peaceful retreat, complete with a spacious bedroom, ensuite bathroom and a separate dressing room.
