The family bathroom is fitted with a panelled bath and an electric shower over. A spacious landing benefits from a large built-in storage cupboard housing the hot water tank, loft access, and a window that fills the space with natural light.

Further benefits include uPVC double glazing throughout and gas-fired central heating, supplied by a boiler located in the kitchen

Outside, the enclosed rear garden has been designed to make the most of the sun, featuring a patio seating area, a lawned area, a garden shed, and gated side access to the front of the property. Alongside the home is a detached garage with driveway parking.
