Occupying a fabulous position with open countryside to its southern boundary, Wessington Heights presents an opportunity to enjoy life in a small community within a delightful village setting. Formed by 9 beautiful homes, this exclusive Derbyshire site has been selectively specified and constructed by an independent, family developer, with an assurance of quality and a 10 year ABC+ build warranty.

The access to the development and each property is from a private road with associated outdoor lighting. Each home is served by an air source heat pump, ensuring renewable energy and efficiency for years to come, and a sense of comfort is provided by under floor heating to every ground floor. The roof voids within the homes are large and therefore offer scope for conversion to create additional living spaces (subject to necessary planning consents). Each garage, whether it be detached or integral, features an electric up-and-over door and an EV charger included as standard.

Wessington Heights is located within the quaint village of Wessington, sitting to the west of the Amber Valley and being enveloped by green landscapes. Home to the award-winning Horse & Jockey pub, a church, a picturesque village green and a primary school, the village is just a short drive from Matlock, enabling access to a variety of amenities, such as supermarkets, restaurants, shops and public houses. From Wessington, public footpaths provide routes through countryside to Ogston Reservoir and woodland. Crich is a charming and historical village nearby, where there are independent restaurants, a butchers shop, a post office, a public house, a convenience store and the popular heritage attraction of Crich Tramway Village. There is also good access to the M1 for journeys to major cities and Alfreton train station, which has direct rail routes to Nottingham, Leeds, Liverpool, Chesterfield and Sheffield. Public buses are available from multiple stops on Matlock Road, allowing connections to Matlock, Alfreton, South Normanton and Crich.

THE GRINDLEFORD

Beautifully appointed throughout and located within a private community, The Grindleford offers three bedrooms and two bathrooms, making it ideal for a growing family. Style and quality flawlessly combine in this newly built home, creating spaces that only require a buyers personal touch.

Welcoming you into the home is the entrance hall, which connects to a generous lounge, WC and the living kitchen. A perfect place for all of the family to gather, the living kitchen offers versatility and a tailored kitchen by Designer Kitchen Direct that is highly functional for the requirements of modern lifestyles, including fully integrated Neff appliances. A set of bi-folding doors open to the rear garden for effortless indoor-outdoor continuity, and there is also a utility room and a storage cupboard. Each of the three bedrooms on the first floor are well-proportioned and incorporate a luxurious master bedroom with an en-suite shower room. The family bathroom is a sanctuary for relaxation and is fitted with a Porcelanosa suite and tiles.

Outside, a generously sized lawned garden and patio await, allowing ample room for children to play or entertain family and friends. The Grindleford has the benefit of a driveway for two vehicles and a detached single garage.

THE PADLEY

Enjoying a superbly sized plot, The Padley is a four bedroomed semi-detached home offering luxury living spaces across its two floors, which total approximately 1344 square feet.

Tailor-made for family life and finished to a high standard, this residence features a large dining kitchen with fitted cabinetry by Designer Kitchen Direct and Neff integrated appliances, a bay-windowed lounge, a utility room and a WC. The dining kitchen connects to the rear lawned garden through bi-folding doors for ease in the summer months or when entertaining. Each of the four bedrooms are configured with spaciousness in mind. The master bedroom incorporates an en-suite shower room, whilst another of the bedrooms showcases a Juliet balcony that fills the room with natural light.

Each Padley plot has a driveway for two vehicles, a detached single garage with an EV charger and an enclosed garden.

THE WOLFSCOTE

Situated within a sizeable plot, The Wolfscote boasts over 1600 sq.ft of accommodation and is the only one of its kind on the development. With four well-proportioned bedrooms, three bathrooms and a stunning open plan living kitchen, this home has been consciously designed to meet the requirements of 21st century living.

The feeling of space and lightness is reflected as soon as you step through the door of the living kitchen, an airy room with a versatile layout. A designer kitchen includes plenty of work surface space, a wide range of Neff integrated appliances and bi-folding doors to the rear garden. A superb reception room is offered by the lounge, and a useful utility room adds great functionality to the home. A large landing connects to the four bedrooms and family bathroom on the first floor, which are all of a generous size, and two have the benefit of en-suite shower rooms.

The Wolfscote has a driveway for two vehicles and a detached single garage with an EV charger. The rear garden is enclosed, with a newly laid lawn and a paved patio area.

THE MANIFOLD

The Manifold is an individually designed, detached residence that is the only house type of its kind on the development. Spanning approximately 1271 square feet, this four bedroomed home beautifully accommodates family lifestyles, featuring open plan living and three luxury bathrooms.

A fabulous lounge presents a great spot for relaxing, whilst the living kitchen incorporates a stylish, fully integrated kitchen by Designer Kitchen Direct with Neff appliances. The utility room provides space for a washing machine and a tumble dryer, and connects to an integral garage. Two bedroom suites and a further two bedrooms allow plenty of room to grow, as well as a family bathroom with a Porcelanosa suite and tiling.

To the front of the property is a block paved driveway that allows parking for two vehicles, in addition to an integral single garage. To the rear is a good-sized, enclosed garden.
