Location

Drummond Way is a popular purpose built development located to the North West side of Macclesfield town centre, enjoying a convenient location and having the leisure centre close at hand. Set in Cheshire's plains, on the fringe of the Peak District National Park, Macclesfield combines the old with the new. Originally a medieval town, Macclesfield became the country's 'Silk' capital in the 1750's, whilst it still retains that heritage, in recent years it has grown to become a thriving business centre. Macclesfield is a modern shopping centre with a range of leisure facilities to suit most tastes. There is a popular monthly Treacle Market which is a bustling Arts, Antiques, Crafts, Food and Drink Market, held on the cobbles of the town centre with around 140 stalls of exceptional food and drink, unique crafts and vintage and information from the Macclesfield community. There are many independent and state primary and secondary schools. The access points of the North West Motorway network system, Manchester International Airport and some of Cheshire's finest countryside are close at hand. Intercity rail links to London Euston and Manchester Piccadilly can be found at Macclesfield and Wilmslow railway stations as well as commuter rail links to the local business centres.

Directions

Tenure

We are advised by the vendor that the property is Leasehold. We believe the lease to be 999 years from 29 January 1988 with a charge of £104 PCM for the management and £80 PA for the ground rent. The vendor has also advised us that the property is council tax band C. We would recommend any prospective buyer to confirm these details with their legal representative.

Anti Money Laundering - Note

To be able to sell or purchase a property in the United Kingdom all agents have a legal requirement to conduct Identity checks on all customers involved in the transaction to fulfil their obligations under Anti Money Laundering regulations. We outsource this check to a third party and a charge will apply. Ask the branch for further details.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		
(81-91) B		
(69-80) C		
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs
