£349,950

One of our favourites this year already, the perfect family home and presented immaculately, a real credit to the owners. Tucked away on a private road, with a generous west facing and private plot we have this detached family home with the kind of space every family wants.

A superb open plan feel to the ground floor with a spacious lounge, double doors open up to the dining and garden rooms with the kitchen adjacent and utility just off. You also get a hallway, downstairs w.c., and the flow through the ground floor is genuinely spot on, with entertaining and separate spaces for families to enjoy. Three double bedrooms and two modern bathrooms make up the first floor with ample storage throughout too.

Outside, there is a block paved drive with matching pathways around the house, a detached garage and a fantastic garden. Secure, private, multiple seating areas and even a summer house and a kids play area.

Such a good home, viewings are available by appointment, please get in touch to book.
