THE PROPERTY

Long Entry is an attached, substantial historic building adjoining the seafront and in the heart of the old town. The property dates back to the late 1800s and is listed grade 2, of architectural or historic importance. It was believed to have been, at one time, a hotel and subsequently converted into three individual apartments.

3 Long Entry is located on the second floor, overlooking Church Street to the front and overlooking the seafront to the rear with stunning sea views over Lyme Bay and along the Jurassic Coast to Portland beyond. From the balcony and the shared courtyard there are also views to the harbour and the Cobb.

The apartment is highly individual and offers a whole number of character features including a high beamed wood panelled ceiling to the living/dining room, brick fireplace, exposed floorboards, stripped pine panelled doors and deep skirting boards. Special unique features of the apartment are the balcony and the mezzanine.

There is also the added selling feature of a good sized shared courtyard, enjoying a lovely sunny aspect and, again, the lovely sea views.

Making an ideal permanent, second home or holiday letting investment, viewing is strongly recommended by the sole agents.

OUTSIDE

There are a number of Council car parks within some 5-10 minutes' walking distance, with permits available.

Good sized share courtyard (shared with just the other two apartments), arranged over three levels with pea shingle, paved terracing and a raised timber decking area, enjoying sea views to the Cobb/harbour.

SITUATION

Ideally situated in the heart of Lyme Regis old town and within a conservation area. It is set just back from the seafront, East Beach and town centre shops. Close by is a pretty memorial garden in Monmouth Street and the artisan quarter centred around the town water mill, art galleries, restaurants, cafes, brewery and craft workshops. Lyme Regis forms part of the stunning Jurassic World Heritage Site with a thriving town centre offering convenience and bespoke shopping of a wide variety as well as a number of renowned popular restaurants and hotels. The area is designated as one of outstanding natural beauty (AONB) and has excellent walking and water sports opportunities. The market town of Axminster is only six miles away, with rail services to London Waterloo.

TENURE
