The impressive space continues on the first floor with a double

aspect principal bedroom that enjoys a view overlooking the mature rear garden, three further generous double bedrooms and a well presented family bathroom.

The accommodation is completed by a large loft space which provides scope to be converted, there is a generous frontage with carriage driveway and off street parking for numerous vehicles as well as access to the integrated garage.

The garden is a true gem with beautiful planting that at first glance, wouldnt look out of place in a show garden. Our clients have created something really special here and there is a cleverly planned garden lighting system that focuses on highlighting, silhouetting and shadowing the planting to really bring the outside to life at dusk, it really is a sight to behold.

The garden is a particular feature of the property with incredible privacy and seclusion, however the real star of the show is the detached entertainment cabin that enjoys a bar, dining area, sitting area and a woodburning stove, as well as space and

plumbing for an outside kitchen area too.

Further noteworthy points to mention include water softener & purifier, recently serviced combination boiler, air-conditioning unit with heat pump in the conservatory, hard wired CCTV system, electric awning and remote controlled garage door.

The property sits on a highly desirable road and is equidistant from Epsom & Ewell East railway stations with connections to Waterloo and Victoria. Epsom Downs station is within a short walk away at 0.5 miles. The property is also within the sought after Wallace Fields Infant and Junior Schools catchment area as well as being within very close proximity of the internationally renowned Epsom College.
