ESTATE AGENTS

Moving Estate Agents are delighted to welcome to the market Thornwood Gardens.

An immediately impressive traditional, three-bedroom, second-floor flat in great condition.

Property Description

This fantastic second-floor flat in the Thornwood area of Glasgow offers excellent accommodation all on one level. It is clear to see a lot of love and affection has gone into this immaculately presented family home.

From the common close entry of the block, you take the stairs and enter the communal hallway to arrive at the flat on the second floor. On entering the flat via a small balcony into the welcoming entrance vestibule with storage cupboard, then in turn giving access to the spacious reception hall again with storage cupboards, you will have access to all rooms. To the front of the property is the bright and spacious lounge benefitting from a large picture window giving lots of natural light due to the open outlooks, with a small porthole window adding to the character of the lounge. The kitchen just off the hall is of a galley style and has a range of floor and wall-mounted units with contrasting worktops and room for dining. The bathroom also sits just off the hall with a three-piece suite and shower over bath. Completing the property are three double bedrooms, all with walk-in storage cupboards, sitting to the rear of the property, one of which is currently being used as a dining room.

The property further benefits from gas central heating, double glazing with single glazed porthole windows, external storage cupboard on the ground level and well-kept communal rear gardens.

Thornwood itself provides an array of local amenities. Including local supermarkets, shops, bars, restaurants and transport links. Within walking distance is the popular Victoria Park, with its family-friendly play areas and naturalistic walks. The property sits within the catchment area for highly regarded local schooling at both junior and senior levels.

The M8 motorway network and Clyde tunnel are also close by, leading to Glasgow International Airport, Glasgow City Centre as well as other nearby locations.

Whilst we endeavour to provide as accurate information as possible, our particulars are for reference only and should not form part of any contract or offer. Measurements are taken at the widest points, and our floor plans may not be exactly to scale.
