Smart Move are delighted to present For Sale this deceptively spacious detached home, which from first glance may appear to be a small true bungalow, but if you examine the floor plan, or step foot inside, then you will be greeted by an interior which has been extended (both to the rear and also into the loft space) providing ample accommodation which is flexible in its use. Outside there is vast potential, as the plot totals around 0.25 acres and as such can be enjoyed simply as amazing gardens or there is even scope to section off some land to the left to create a building plot (STPP,) making this property one which is well worth your time going to see first hand.

The internal layout of the property in brief includes: spacious entrance hall with staircase leading to the first floor and built in storage cupboard, lounge with feature fireplace and bay window, bedroom one also has a bay window and fitted open wardrobes for useful storage, bedroom two, ground floor bathroom, dining room, large L-shaped open plan fitted kitchen family room with side porch to the driveway and French doors leading to the rear garden, spacious first floor landing, which is currently used as a play room and has a door leading to the loft space for useful storage or potential for conversion (subject to planning permission,) and bedroom three to the first floor completes the accommodation.

The plot the property occupies totals around 0.25 acres and as such has fantastic outdoor space and masses of potential. The main garden is located to the rear and boasts a paved patio area and grassed lawn, beyond which are open views over a neighbouring field. To the left-hand side of the property is a large space currently used for off road parking, but which could also potentially be a building plot for a separate dwelling (subject to planning permission.) The parking area is made up of a generously sized paved hardstanding area as well a detached garage. Additional parking could also be created in front of the property, as there is lots of space in the currently open area in front, which has two dropped curbs for either creating a in-and-out driveway, or two separate driveways.

About the Local Area: Tarleton is a village situated in the Lancashire mosslands north east of Southport, and to the south west of Preston, in North West England. The village is known for farming due to its rich soil quality. The River Douglas runs northwards to the east of the village, as does the Leeds Liverpool Canal. Within the village itself are a fantastic array of boutique independent shops, hairdressers, beauticians, takeaways and gift shops, as well as larger chains such as Aldi, Costa Coffee, Co-op and Spar, making this property within a "stones throw" of all local amenities.
