9 KENSINGTON GARDENS, MONKSEATON NE25 8AR

This characterful mid-terrace home, built in 1901, sits on a pedestrianised street in a highly sought-after residential area. Blending contemporary style with retained period charm, it offers ideal family living.

Extending to over 2,100 square feet across three floors, the property opens with a vestibule leading to a welcoming hallway, with stairs to the first floor and access to the reception rooms and kitchen diner. Both reception rooms are spacious and feature period fireplaces; the front enjoys a bay window and decorative ceiling, while the rear includes a built-in dresser.

The kitchen diner comfortably accommodates a large dining table with built-in seating and is fitted with a range of units and contrasting worktops. There is space for a range-style oven with chimney hood and additional appliances, creating a practical yet sociable setting.

To the first floor are three stylish bedrooms, two with period marble fireplaces and fitted wardrobes, while the third is currently used as a dressing room. The standout bathroom has been thoughtfully designed with feature lighting and bespoke fitted storage. It includes a freestanding bath, an impressive walk-in rainfall shower with heated seat, a contemporary washbasin, and an integrated WC, forming a luxurious and streamlined space.

The top floor provides three further bedrooms, two retaining cast iron fireplaces and one with fitted wardrobes. A modern shower room serves this level, complete with a walk-in shower, vanity washbasin, and integrated WC.

Externally, there is a front garden and a rear yard finished with artificial grass and double gates to the rear lane.

The generous proportions, superb layout, condition, and prime location combine to create a compelling opportunity that can only be fully appreciated upon viewing.

Monkseaton is a characterful village that proudly embraces its heritage while evolving with the times. It offers excellent public transport, diverse shopping, and close proximity to Whitley Bay
