# 13 Albany Road

Redruth, TR15 2HU

**£380,000**

We are very pleased to bring to market this light and airy three bedroom property, presented on three levels and occupying a position on one of Redruth's most sought after tree lined roads. An early viewing is highly recommended given the rare occurrence of properties becoming available on this road. This is an exceptional and fine example of family home. Warm, welcoming and having been extensively modernised to a very high standard by the current vendors including an external cladding feature on the exposed side wall. Immaculately presented, substantial and retaining several original features, including high ceilings and coving and with exposed wooden flooring in some rooms, the original windows have been replaced but retaining the traditional sash design. There are delightful views to the rear and the south west facing position ensures the back garden is a particular suntrap. Entrance is gained through large antique, double front doors into a staggered hallway with Antico geometric style flooring. The lounge to the front has the aforementioned high ceilings with a central fireplace feature. There is a bedroom to the rear on the same floor that has fabulous views towards the Carn Brea monument in a south westerly direction. Furthermore, there is a full width built-in wardrobe that has the added bonus of a 'hidden' toilet and wash hand basin built into a vanity unit. A switchback staircase with halfway landing and window that throws natural light onto the landing, benefits from the fabulous views. There are two bedrooms to the front of the property and these are complemented by a wonderful, modern, yet with retro features, large family bathroom, a central freestanding bath and large walk-in shower. Returning to the rear of the hallway, a staircase leads down to the lower level. The glass balustrade gives a sense of excitement as you descend towards the wonderful open plan kitchen/diner. Thoroughly modern in style, granite worktops with metro tiled splash backs are fronted by an island unit with integrated gas hob and breakfast bar. There is an integrated double oven and hob with a recess space for a tall fridge/freezer. The open plan style to the dining room certainly provides a great, bright and airy space for family dining and entertaining alike. To the rear of the kitchen, there is the additional bonus of a further shower room that runs the full width of the property.

Externally, the descending rear garden is fully enclosed and low maintenance. A patio area towards the top is a complete suntrap and provides a great extension to the kitchen for alfresco dining. The front of the property is made up of two laid to lawn areas split by a pathway with a central cherry tree feature. A side pathway gives access to the rear of the property. Albany Road is a tree lined avenue leading to Victoria Park with its well known bowling green and club. Trefusis Park, which has a children's play area, is also nearby. The town is within a five to six minute walk and here you will find many amenities, shopping facilities, cafes, public houses, bus services and a main line railway station giving direct access to London Paddington amongst other locations. In terms of the wider area, Carn Marth, the second highest point in Cornwall, is within a thirty minute walk and the A30 trunk road is easily accessible. Further afield, Portreath Beach, with its access to the famous South West Coastal Path, can be reached in under twenty minutes by car whilst both Tehidy Country Park and Tehidy Park Golf Club are within a similar distance. Furthermore, there are many other local beaches and towns which are easily accessible.
