# HOW TO FIND THIS PROPERTY

| Energy Efficiency Rating                    |                         |
|---|-------------------------|
| Current                                     | Potential               |
| Very energy efficient - lower running costs |                         |
| (92 plus) A                                 |                         |
| (81-91) B                                   |                         |
| (69-80) C                                   |                         |
| (55-68) D                                   |                         |
| (39-54) E                                   |                         |
| (21-38) F                                   |                         |
| (1-20) G                                    |                         |
| Not energy efficient - higher running costs |                         |
|   | 78                      |
| England & Wales                             | EU Directive 2002/91/EC |

| Environmental Impact (CO <sub>2</sub> ) Rating                  |                         |
|---|-------------------------|
| Current   | Potential               |
| Very environmentally friendly - lower CO <sub>2</sub> emissions |                         |
| (92 plus) A   |                         |
| (81-91) B   |                         |
| (69-80) C   |                         |
| (55-68) D   |                         |
| (39-54) E   |                         |
| (21-38) F   |                         |
| (1-20) G  |                         |
| Not environmentally friendly - higher CO <sub>2</sub> emissions |                         |
|   |                         |
| England & Wales   | EU Directive 2002/91/EC |
