4 Lawn Vista Sidmouth EX10 9BY

£250,000 FREEHOLD

An end of terrace, bay fronted house built at the turn of the last century and situated in a pleasant location, overlooking allotments and The Byes.

Offered for sale for the first time in some forty years, the house has gas central heating and is to be sold with no on-going chain. Now in need of some modernisation and refurbishment, the house offers tremendous potential for an incoming purchaser to create their perfect home. Once inside, the entrance hallway leads to a front facing sitting room with bay window looking easterly over allotments and to The Byes. A separate dining room leads through to the kitchen where there are fitted units and space for a cooker and fridge. A covered side return serves as a useful utility room and storage area and has a WC and door to the rear.

On the first floor, the main bedroom is a particularly good size with a front facing bay window, again having a superb view over the allotments and The Byes. There is a second double bedroom, bathroom and separate WC.

To the front of the house is a low maintenance gravel garden, whilst to the rear and just a short walk from the house is a west facing patio garden with brick shed.

The house occupies a superb position, opposite The Byes and River Sid and as such has almost direct access onto the picturesque pathways that lead down the town centre. Regular bus services run along nearby Temple Street, the house is just a short walk from a Spar convenience store/post office and the popular Volunteer Inn. The town centre and seafront are just over half a mile away. Sidmouth is an unspoilt coastal town that benefits from a wide range of amenities to include numerous independent shops and High Street chains, Waitrose, Lidl, a cinema, theatre, modern doctors' surgery, Regency esplanade, indoor swimming pool and an eighteen hole golf course.

OUTGOINGS We are advised by East Devon District Council that the council tax band is C.

BROADBAND & MOBILE Standard, Superfast and Ultrafast Broadband is available in the area with estimated download speeds of up to 1000 mbps. Good outdoor and indoor mobile coverage is predicted by EE, O2, Vodafone and Three. Information provided by Ofcom - February 2026.
