Set within an exclusive private development of just five executive homes, this beautifully presented and exceptionally well-finished detached villa offers generous, flexible accommodation with high-quality contemporary finishes throughout. Accessed via electric gates and a large monobloc driveway, the property also benefits from a substantial detached garage with an upper living space and shower room — ideal for guests, home working, or leisure use.

The ground floor is thoughtfully arranged for modern family living, centred around an impressive open-plan kitchen, dining and family area extending over 12 metres in length — a superb heart of the home for everyday living and entertaining. The stylish kitchen is complemented by quality fittings and ample space for dining and relaxing, with excellent natural light. A separate living room provides a more formal retreat, while an additional TV room/snug offers further flexibility. A utility room, WC, and welcoming entrance hall with stair access complete the lower level.

Upstairs, the property offers five well-proportioned bedrooms. The principal bedroom features a dedicated dressing area and a contemporary en-suite shower room. A second bedroom also enjoys en-suite facilities, making it perfect for guests or older children. Three further bedrooms are served by a beautifully appointed family bathroom. All bathrooms and en-suites are finished in a modern style with quality fixtures and fittings.

Externally, the home continues to impress with its detached garage and substantial upper room with shower room, ideal as a studio, home office, gym, or guest suite. The generous mono-bloc driveway provides ample parking for multiple vehicles, all set behind secure electric gates for added privacy and peace of mind.

Overall, this is a standout, turn-key home combining space, style, and exclusivity in a highly desirable setting.

Located near the village of Lugton this property enjoys a peaceful semi-rural setting.
