Description

We are delighted to offer this well-presented, extended detached bungalow situated in a favoured Tarring location. Adapted for disability and mobility needs, it provides practical and accessible single-storey living. The property is ideally positioned for local amenities, green spaces, schools, public transport links, and the mainline station.

The accommodation begins with an entrance porch leading into a welcoming hallway. To the front of the property is a spacious bay-fronted lounge featuring a character brick fireplace with a wood-burning stove, creating a comfortable and functional living space.

The extended kitchen/breakfast room overlooks the rear garden and offers ample space for both cooking and dining. It is fitted with solid wood work surfaces, a butler sink, a range of wall and base units, a built-in oven, and a gas hob, with additional storage cupboards and access to a side lean-to leading through to the garden.

There are three generously proportioned bedrooms and a shower room, fitted with a white suite including a walk-in shower, built-in storage, part-tiled walls, and a rear-aspect window.

Externally, the property boasts a generous west-facing rear garden enjoying sunlight throughout the day and into the evening. The patio area provides space for outdoor seating and entertaining, with a ramped path down to the remainder of the garden, which is mainly laid to lawn and bordered by mature planting, a vegetable patch, and greenhouses.

To the front, there is a low-maintenance garden with a driveway providing off-road parking and access to a garage/workshop equipped with power, lighting, and useful storage.

Floor Plan St. Thomas's Road

Total area: approx. 104.7 sq. metres (1127.4 sq. feet)

Energy Efficiency Rating	
Current	Potential
Very energy efficient - lower running costs	
(82 plus) A	
(81-81) B	
(69-80) C	
(55-68) D	
(39-54) E	
(21-38) F	
(1-20) G	
Not energy efficient - higher running costs	
England & Wales	EU Directive 2002/91/EC

Environmental Impact (CO ₂) Rating	
Current	Potential
Very environmentally friendly - lower CO ₂ emissions	
(82 plus) A	
(81-81) B	
(69-80) C	
(55-68) D	
(39-54) E	
(21-38) F	
(1-20) G	
Not environmentally friendly - higher CO ₂ emissions	
England & Wales	EU Directive 2002/91/EC
