The Indoors

Accessed on the ground floor via the private garden, the apartment opens into a generous living and kitchen area. Natural light floods the room on bright days and is enhanced by an understated, neutral scheme, with a considered palette of tones from Paper & Paint Library, Dulux Heritage, and Farrow & Ball used throughout. The kitchen features white cabinetry, Amtico flooring, a Corian worktop, and a Bosch dishwasher, with Philips Hue LED strips discreetly installed above the counters for atmospheric lighting.

Leading into the hallway, you'll find the first bedroom, a space with a calm, refined finish, featuring floor to ceiling windows that open onto a Juliet balcony. Adjacent is the main bathroom, complete with a built-in bath and heated towel rail. Proceeding to the lower ground floor, the principal bedroom is beautifully accented by an abundance of natural light from the floor-to-ceiling windows. The room comfortably accommodates a double or king-sized bed and is complemented by an en suite. Opposite, a utility room provides additional storage for a washing machine and other household essentials and could be conveniently used as a dedicated laundry room.

The Outdoor
