Jacobs Steel are delighted to offer for sale this beautifully presented Art Deco home positioned on this popular road in central East Worthing, within 150 metres of the seafront. Sympathetically refurbished from top to bottom, this uniquely available property perfectly encapsulates its era whilst retaining the contemporary features of modern living. Within easy reach of Worthing Town Centre with its comprehensive amenities, the property boasts four double bedrooms, an extended dual aspect kitchen/diner, two reception rooms, utility room and ground floor w/c, newly fitted Art Deco bathroom, walled west facing rear garden, garage and off road parking.

Internal This attractive Art Deco home has undergone extensive renovation during the current owners' ownership, which includes a triple glazed, dual aspect extension that offers a family sized kitchen/diner with access directly to the west facing rear garden. An arched porch to the front of the property provides access via the wooden front door to the light and welcoming entrance hall. The property offers a wealth of versatility with two reception rooms and a large kitchen/diner. The two reception rooms benefit from data points and wall sockets for wall mounted TVs in the main living spaces, and both rooms are a generous size with original features including ornate ceiling panelling. The front room boasts a gorgeous, curved bay window and measures a generous 16'6" x 12'11". Positioned at the rear of the property with a south and westerly aspect is the cleverly designed rear extension which spans a total width of 18', with large triple glazed windows and doors allowing direct access to the walled west facing rear garden. The kitchen has been fitted with an array of floor and wall mounted handleless units, quartz worktops and integrated appliances. To the ground floor there is also a utility finished to the same high standards as the kitchen, a ground floor w/c and access to the integral garage. To the first floor are four double bedrooms, with the main bedroom measuring a spacious 17'2" x 13'1" and benefiting from a data point and sockets hidden in the cupboard, enabling hidden TV installation for modern living. The second bedroom benefits from large floor to ceiling custom built wardrobes. The family bathroom has been finished in a contemporary but sympathetic Art Deco style with a four-piece suite including a walk-in shower, bath, toilet and hand wash basin. On the landing are two large linen cupboards with the addition of a useful laundry chute servicing the utility room. The property also benefits from having 'Fibre to the door', which is the fastest internet available on the market, perfect for home working.

External The front garden is low maintenance and benefits from being walled enclosed with a path leading to the front door and a number of mature planted borders lining the boundaries. The property also benefits from off road parking and access to a private garage. The rear garden faces due west and is wall enclosed on all sides creating a sunny yet secluded space for the whole family to enjoy. Laid primarily to lawn with a large patio area the west facing space has been landscaped with practicality and minimal upkeep in mind. A large, tiled terrace is level with the rear of the house which flows to the side of the kitchen to the Family room and has plenty of room for entertaining.
