**PROPERTY SUMMARY**

A welcoming and spacious entrance hall sets the tone for the rest of this impressive home. To the left, the elegant living room features a log burner set within a charming fireplace, creating a cosy focal point. This room opens through to the orangery-style dining room at the rear, where double doors frame lovely views over the garden and provide access to the patio — perfect for entertaining or relaxing.

Adjacent to the dining room is the kitchen breakfast room, fitted to a high standard with sleek granite worktops, Belfast sink, and a range of integrated appliances. The layout flows beautifully, combining style and practicality for everyday family life.

Leading back through the inner hallway, there is a useful utility room, also fitted with a Belfast sink, space for appliances, and a side door providing convenient access to the outdoors. A downstairs cloakroom includes a shower, sink, and toilet. The ground floor benefits from mostly travertine flooring throughout, adding a touch of elegance. Completing the ground floor is a versatile fourth reception room, currently used as a family room, which could easily serve as a fifth bedroom thanks to its close proximity to the shower room.

Upstairs, the principal bedroom is a wonderful retreat, featuring an impressive ensuite with a large walk-in shower and a separate freestanding bath. There are three further well-proportioned bedrooms, two of which are comfortable doubles, and a modern family bathroom with both a bath and a separate shower.

Outside, Harwood House continues to impress. A detached double garage with power, lighting, and water sits to the side, with an annex / studio above that is ready to be finished to your own taste, offering an excellent opportunity to create a home office, guest suite, or creative workspace perfectly tailored to your needs. To the rear of the garage is a workshop with an additional separate storage area, and there is also a charming log cabin complete with an upper level, providing even more flexibility.

A small courtyard garden lies behind the garage, while the main garden is a real highlight, featuring a large patio area off the dining room and an extensive, sweeping lawn that enjoys complete privacy. The plot is generous and beautifully maintained, offering a wonderful sense of space.

To the front, there is ample off road parking on the driveway for multiple vehicles, leading up to the garage.
