Positioned in one of Tettenhall’s most coveted residential settings, and just a short stroll from the amenities of both Tettenhall Village and Tettenhall Wood, No.36 The Crescent has been transformed through an extensive, high-specification renovation into a truly exceptional modern family home.

Every detail has been carefully considered, resulting in a stylish, versatile and deceptively spacious property that stands as one of the finest examples of its type. Behind its modest façade lies a beautifully reimagined interior, thoughtfully extended and finished with premium materials throughout. Fresh, contemporary décor, quality carpets and flooring, a modern family bathroom, and a superb open-plan dining kitchen create an effortlessly elegant living environment. The addition of a fully insulated garden cabin further enhances the home’s versatility, offering the perfect space for a home office, gym, studio or entertainment room.

The well-planned layout begins with an inviting entrance hall and staircase to the first floor. A charming front living room with feature fireplace opens through an archway into the impressive full-width dining room and kitchen — a wonderful open-plan space ideal for entertaining, family gatherings or everyday living. A bright conservatory sits adjacent, providing an additional relaxation area overlooking the garden. Upstairs, the first floor offers three well-proportioned bedrooms and a smart bathroom with a white suite. Externally, the property benefits from off-road parking to the front, while the rear garden is a standout feature: south-facing, landscaped and designed for maximum enjoyment, it provides excellent outdoor space for summer dining, children’s play or hosting garden parties. The detached, insulated garden cabin adds a rare and valuable dimension to the home.

The Crescent enjoys outstanding convenience, with Tettenhall High Street, boutique shops, coffee lounges, Penk Rise fields, parks, sports clubs and excellent schooling all within easy reach. Wolverhampton city centre is under 3.5 miles away, and the M54 is a short drive, making this an ideal base for commuting to Birmingham, Telford and surrounding areas. A superb, turn-key example of its type — gas centrally heated, double glazed and offering exceptional quality throughout. Viewing is essential to appreciate the scale, finish and thoughtful design of this remarkable home.
