IF YOU LIVED HERE...

One of the joys of this home is the thoughtful layout, with the living and sleeping spaces neatly separated across two floors. The result is a fantastic sense of space, while the abundance of natural light creates an inviting atmosphere throughout.

Your reception room is impressively proportioned, offering plenty of room to relax, entertain or work from home. The separate kitchen/diner is equally practical, with generous worktop space and room for a dining table.

Upstairs, you'll find two comfortable double bedrooms, each with built-in storage and plenty of flexibility for growing families, guests or home working. The bathroom sits conveniently between the bedrooms, while additional storage ensures the home remains clutter-free.

As for beyond, Glengarnock Avenue enjoys a peaceful residential setting in the heart of the Isle of Dogs, placing you within easy reach of Canary Wharf while offering a welcome sense of community.

Excellent transport links make getting around London a breeze, with nearby DLR and Underground services providing swift connections to the City, Stratford and beyond. Greenwich foot tunnel provides quick and efficient transport links to Canary Wharf centre (12min) as well as vibrant Greenwich with its famous Royal Park, market, bars and restaurants. For those who enjoy being outdoors, the Thames Path, Mudchute Park and Farm and Millwall Park are all close by, offering plenty of green space alongside riverside walks.

Canary Wharf's ever-expanding selection of restaurants, bars and shops is just moments away, while independent neighbourhood favourites continue to give the area its own distinct character. Whether you're commuting, meeting friends or making the most of the weekend, you'll have everything you need within easy reach.

WHAT ELSE?

- One of the Isle of Dogs' best-loved attractions, Mudchute Park & Farm spans 32 acres of open green space and is home to a wonderful collection of farm animals, riding facilities and community gardens. It's a peaceful escape from city life, perfect for weekend walks, family outings or simply enjoying a slower pace.
- Occupying a historic riverside spot overlooking the Thames, The Gun is one of East London's most loved pubs. Expect beautifully kept interiors, an excellent seasonal menu and a terrace with spectacular views across the water towards the O2.
- Just moments away, Canary Wharf offers far more than a business district. Alongside its impressive collection of shops, you'll find an ever-growing choice of acclaimed restaurants, stylish bars, independent cafés and waterside plazas. Cultural events, public art installations and the Everyman Cinema ensure there's always something happening, whatever the season.
