With far reaching views, this three storey semi detached house offers flexible accommodation on the edge of the South Downs National Park.

Set within an elevated position and with off road parking for one vehicle, the property features a cosy living room with open fire, a kitchen with breakfast bar and a downstairs loo, plus a large understairs cupboard. The conservatory opens onto a mature, cottage style rear garden. On the first floor is a surprisingly large bathroom with separate shower, a really good sized second bedroom with views over farmland opposite and a third bedroom / study area with stairs rising to the second floor main bedroom. From here, skylights look out to the front, whilst a dormer window gives far reaching views over rooftops to the rear.

The primary school is just down the road, as are a play area and large recreation ground. The community owned and run shop / cafe / post office counter is only a short stroll away, with the newly refurbished Swan Inn pub also being within easy walking distance.

Further amenities will be found at nearby Petworth and Pulborough, the latter having a mainline station with direct routes to London and Gatwick.
