Location Is Everything

Cosby is a delightful village with a wealth of character and charm and has a brook running through the heart of the village. You can enjoy being part of the village by taking part in community events such as the annual Cosby duck race. Cosby is situated south of the city with easy connections to the city and the motorway networks. Cosby offers a wealth of local amenities including, shops ideal for day to day shopping, post office, pharmacy, restaurants, public houses, golf course and the reputable Cosby Primary School.

Inside Story

Situated in the ever-popular village of Cosby, this traditional mid-terrace home presents a wonderful opportunity for those looking to personalise and add value. With no upward chain, it's ideal for first-time buyers, downsizers, or investors seeking a project in a desirable location.

The property welcomes you into a living room with stairs rising to the first floor. To the rear is a dining kitchen featuring base units, a work surface with sink drainer, and space for appliances. There is room for a dining table and chairs, a storage cupboard, and a door leading to a brick and timber garden room, perfect as a sunroom or additional utility space.

Upstairs, there are two bedrooms — the main bedroom being a good-sized double — along with a bathroom fitted with a white suite.

Externally, the rear garden features a good size lawned area, along with a garden shed for storage.

Importantly, the garden benefits from private access only, with no neighbouring properties having rights of way across it.

This is a property full of potential, set in a lovely village location — ready for you to make it your own.
