Sales & Lettings

3 Treloweck Penhale Road

Carnhell Green, Camborne, TR14 0LU

£258,000

This end of terrace single storey property is situated in a countryside location and offers character accommodation. It benefits from two bedrooms, a lounge, kitchen, a lovely dining room/sun room and a shower room. The property is double glazed and this is complemented by electric heaters. Externally there is the bonus of private parking together with a communal parking area and a communal front lawn with well stocked rear gardens having a greenhouse and former vegetable areas.

Situated in the countryside between Barrripper and Carnhell Green, this single storey barn conversion was carried out some years ago and is part of a small enclave of properties. Conversion work was sympathetically carried out and this property has much character combined with some modern facilities. There is a hallway leading through to a lounge and the kitchen opens into a sun room/dining room with a lovely roof light. Two bedrooms are provided, one having a wardrobe and the second having a fitted cupboard. Electric heaters are provided and there is double glazing. Externally there is a communal parking area near the property but it does also have a private driveway providing parking for two/three vehicles in tandem. The garden has been thoughtfully laid out with a greenhouse and a former vegetable garden which is now lying fallow. The nearest hamlet is Carnhell Green and in the other direction is Barrripper leading to Camborne town with shops and travelling facilities. There are also numerous country walks nearby.

OUTSIDE

As previously mentioned, to the front there is a communal parking area and a front lawn communal garden. The property has a pathway with borders to the side and access is given to the rear garden with a timber outbuilding, a metal outbuilding and a greenhouse. It has been designed in layers which has ease of maintenance in mind and there is a fallow vegetable garden. The owner used to tend to this regularly but now finds it difficult. A rear entrance gives access to tandem parking facilities for several vehicles in addition to the communal parking at the front of the property. We are informed by the vendor that the properties share a communal septic tank which is emptied on an annual basis with a charge of approximately £60 being levied to number 3.

DIRECTIONS

From Camborne proceed along Pendarves Road on the route to Helston. Take the turning right to Barrripper and proceed through the village, over the bridge where the road starts to climb towards Carnhell Green. Proceed along where Trelowek will be identified by a For Sale board on the left hand side. You may use the communal parking and then proceed down the pathway where the property will be seen in front of you.
