COMPLETION

Q1 2030

WELCOME

Where quality, comfort and convenience come together

Watford Construction proudly presents its latest residential development, an attractive collection of contemporary homes that combines elegant interiors, practical amenities and the appeal of an established neighbourhood. With completion anticipated in Q1 2030, it's an exciting opportunity for buyers looking for a modern home that gets the essentials right.

AT A GLANCE

Elegant contemporary design	High-quality finishes	En suite bathrooms	Underground parking	Transport links to London

THE RESIDENCES

Style and function in every room

Every apartment has been designed with style, functionality and attention to detail in mind. Elegant finishes and carefully selected materials give each home a sophisticated feel, while contemporary layouts keep things practical as well as good-looking. Whether you're buying your first home, making room for a growing household or after a property with long-term appeal, these residences offer an inviting setting for modern living.

EN SUITE BATHROOMS

Privacy and comfort, built in

The apartments have been designed with privacy and everyday comfort in mind, with en suite bathrooms adding an extra level of convenience. It makes for a more personal way of living, giving residents greater independence and functionality at home. Paired with the elegant finish throughout, the en suites add to the premium feel of the whole development.

PARKING AND LOCATION

Practical living in a well-connected town

Underground parking

Dedicated underground parking takes the hassle out of hunting for a space on the street and keeps the development more organised. If you rely on your car for commuting, shopping or everyday journeys, having parking right within the development is a real advantage.

The neighbourhood

Watford balances established residential streets with a lively mix of shops, cafés, restaurants, leisure facilities and green spaces. Transport connections to London and beyond make it a great fit for professionals, couples and families who want convenience as well as a real sense of community.

SECURE YOUR NEW HOME

Completion anticipated Q1 2030

Watford Construction's newest development is a chance to secure a contemporary home in an appealing location, with carefully considered interiors and practical features that make everyday living easier. Elegant design, high-quality finishes, en suite bathrooms and underground parking all come together here. For buyers after comfort, convenience and a desirable neighbourhood, it's an opportunity well worth exploring.
