Oak House St. Johns Road, Slimbridge, GL2 7DF

SITUATION

Oak House is within a short distance of the village hall and historic parish church. This sought after village has a post office, village hall, primary school and is the home of the world famous Wildfowl Trust founded by the late Sir Peter Scott. Slimbridge is well placed for the M5 motorway via the nearby A38 for travel throughout the south-west. The adjoining village of Cam also has a 'Park and Ride' railway station with regular services to Gloucester and Bristol with connections to the National Rail Network. A number of country walks are close by including the tow path of the Gloucester/Sharpness canal. The nearby Cotswold towns of Wotton-under-Edge, Tetbury and Cirencester along with the Cotswold Way are also within easy reach.

DIRECTIONS

From the A38 follow the signs for Slimbridge and on entering the village proceed past the primary school on the left and pass the garage on the left hand side and Oak House will be found after 100 yards on the right.

DESCRIPTION

This attractive spacious individual detached house was constructed approximately 35 years ago by a local builder as part of a small development of barn conversion and this one individual detached house. The owners have lived in the Oak House since new and the property has extremely spacious accommodation which has also been extended on the first floor to create a larger second bedroom and further ensuite shower room. The accommodation is approximately 2000 square feet and is accessed via a shared block paved section of driveway which gives access to the private block paved driveway and parking area for several cars and to attached garage/workshop. A pedestrian access leads to the side to the rear garden which is a particular feature of the property and is part walled with views over open countryside and of a good size. The internal accommodation has a most spacious bay fronted living room opening onto a conservatory, dining room leading extended kitchen/breakfast room, large utility room and study. On the first floor are four bedrooms, two having en-suite shower room, along family bathroom and further stairs lead to the boarded loft space. Oak House also benefits from gas fired radiator central heating, sealed unit double glazing and is situated in this excellent position in the village centre.
