

Church Street, Kingsbridge
Kingsbridge

£225,000

The Property:

A charming two-bedroom terraced cottage positioned set back from the road on Church Street, offering a blend of character features and practical living space, and available with no onward chain.

The property retains a number of original features, including a fireplace in the main bedroom. The sitting room is a bright and comfortable space, centred around a woodburner, and enjoys an outlook over Church Street.

To the rear, the kitchen provides a functional layout with access directly out to a shared patio area, which in turn leads to further garden space. The kitchen also features an original bread oven, adding character, although there is clear scope for a buyer to modernise and reconfigure the space if desired. In addition, there is a large under-stairs storage cupboard, ideal for use as a larder and a vintage dresser which houses the fridge, and freezer

Immediately adjacent to the property is a small, sunny courtyard, shared with the neighbouring property but clearly arranged to allow each owner their own defined area. This space also includes a small storage area for bins, along with a stone store.

From the courtyard, access is taken via stone steps up to the main garden space. This is a generous space offering excellent potential for landscaping or further enhancement. The garden is capable of being divided to provide a more clearly defined private area.

Upstairs, the main bedroom is well-proportioned and features the original fireplace, while the second bedroom would suit use as a single bedroom, study or home office, overlooking the garden.

The bathroom is fitted with a bath with shower over, along with WC and basin, a pretty inglenook type fireplace and a spacious built in cupboard for storage.

Overall, this is a characterful cottage that would suit a range of buyers, including first-time purchasers, downsizers or those seeking an investment opportunity.
