Boasting a prominent position in one of Woodstock's most coveted residential roads, 5 Cadogan Park represents a fine example of a mid-century family home. Sitting within a magnificent wrap around double plot of approximately a third of an acre, the property is characterised by its generous proportions, calming interiors and illuminating flow of natural light.

Sitting well back from the road, entry is gained via a private driveway flanked by manicured lawns and mature trees. Once inside, it is apparent that a great level of care has been taken to orientate the primary living spaces in order to optimise the tranquil views across the spectacular gardens. In its current configuration, a generous breakfast room opens via double doors into the main reception room with feature marble fireplace. Large glazed sliding doors create an effortless transition between the interior and exterior spaces and allow light to penetrate the deepest parts of the plan and into the dual aspect dining/family room. A sleek fitted kitchen with large pantry, utility room, generous study and cloakroom complete the ground floor. The first floor is home to four double bedrooms, including the master bedroom with en-suite shower room, and a generously proportioned family bathroom.

Externally, the current owners have curated the outside spaces to create a wonderful indoor-outdoor experience. Large expanses of carefully maintained lawns encompass the property and create a haven for local wildlife. Large terrace areas have been carefully placed with alfresco dinners, evening drinks and peaceful early morning coffees in mind. Driveway parking is available for several vehicles.
