### Summary

A smart, energy-efficient three bedroom home, available on a 40% shared ownership basis, offering an accessible route into a modern development on the edge of Cricklade.

Set within this sought after development, this is a home that simply works. A generous living space, kitchen across the rear opening onto the garden, three bedrooms upstairs, and parking for two at the front. Add in a B rated EPC and you have something that is not just easy to live in, but efficient to run as well.

For buyers looking to get onto the ladder without compromise, this is a very compelling option.

### Step inside

The layout here is exactly what you want from a modern home, practical, well-proportioned and easy to live with.

You're welcomed by an entrance hall with stairs rising to the first floor, and a useful downstairs WC.

The living room is a great size, bright, comfortable and flexible enough to arrange properly, whether that's family space, a work-from-home corner, or both.

To the rear, the kitchen breakfast room runs the full width of the house. There's a good range of storage, plenty of worktop space, and room for a table, making it a genuine social space rather than just somewhere to cook. Double doors open straight out to the garden, which really helps the flow, especially through the warmer months.

There is access to a handy understairs cupboard that takes care of everyday storage.

Upstairs, there are three bedrooms. The main bedroom benefits from its own ensuite, bedroom two is a comfortable double, and bedroom three works perfectly as a single room, nursery or home office.

The family bathroom completes the first floor.

### Step outside

To the front, there is off-road parking for two vehicles, directly in front of the property, which is always a win day-to-day.

The rear garden is enclosed and designed to be low maintenance, with a patio area for seating and a lawn beyond. It's a safe, usable space whether that's for children, pets or just enjoying a bit of sun.

There is also gated rear access, adding that extra bit of practicality.

### Area insight

Hitchings forms part of this modern, well-regarded development on the edge of Cricklade, giving you the best of both worlds — a quiet, residential setting with easy access in and out of town.

Cricklade itself is a proper town, full of character, with independent shops, pubs, and everyday essentials all within easy reach. You're also well placed for Cirencester, the Cotswold Water Park, and wider road links when needed.

It's a location that works just as well for first time buyers as it does for those looking to stay connected but step into something more manageable.
