#### Lead In

Tucked away on a private road just off Rowley Lane, this beautifully designed four-bedroom detached home offers an exceptional level of space, privacy, and versatility. Built in 2003 and thoughtfully planned throughout, Springfield Lodge provides a unique opportunity to acquire a truly one-of-a-kind family home.

Approached via a private driveway shared with two neighbouring properties, the driveway then opens out to provide ample private parking, setting the tone for the exclusivity this home offers.

A standout feature is the detached annex bungalow, with separate gas boiler with sub metered gas and electricity supplies, positioned adjacent to the main residence. This incredibly versatile space is ideal for multi-generational living, those requiring accessible accommodation, or even as a potential source of rental income.

Internally, the main house boasts generously proportioned rooms throughout. The ground floor offers a welcoming and impressive central entrance hall, spacious lounge, separate dining room, conservatory, and a well-appointed kitchen diner with adjoining utility. A dedicated office space further enhances the practicality for modern family living.

To the first floor, there are four excellent-sized bedrooms. The principal bedroom benefits from its own ensuite, while the main bedroom is flooded with natural light from a striking feature window and enjoys access to a private balcony overlooking the tranquil front garden—creating a perfect retreat.

Externally, the property truly excels. The extensive gardens to the front and side are beautifully maintained and provide a fantastic outdoor lifestyle, complete with a pizza oven, greenhouse, and a fully equipped “man cave”—ideal for entertaining or relaxing.

Further benefits include owned solar panels, contributing to the home’s energy efficiency and long-term cost savings.

Situated in a highly convenient location, the property is within easy reach of local shops, well-regarded schools, and excellent transport links, including bus and rail connections to Leeds, Doncaster, and Sheffield.

This exceptional home offers space, flexibility, and individuality in equal measure—early viewing is essential, as properties of this calibre rarely remain available for long.

#### Main House

##### Hallway

9'5" x 19'11"

Access to WC, Entrance Hall, Living Room, Kitchen and the Dining Room. Carpeted throughout.
