Location

Snape is village in the Hambleton district of North Yorkshire, located about 3 miles south of Bedale and 3 miles west of the A1M. There is a local Deli shop, Village Hall, Primary School and Pub. The village has many historic connections. It was the site of a Roman villa, and had a connection to the mother and wife of Richard III. Snape Castle was the residence of Catherine Parr and her husband, John Neville, 3rd Baron Latimer, before she became the sixth wife of King Henry VIII. It also had an involvement in the Pilgrimage of Grace in 1536, when Catherine Parr and her step-children were held captive at the castle. Snape castle was originally built c.?1430 and was later divided into two domestic premises before being reunited as one home in 2003.
