

An aerial photograph of a residential street in Kettering, NN16. The street is lined with various types of houses, including a prominent three-story brick house with a dark tiled roof and a white door, and a two-story white house with a red door. There are several smaller buildings and sheds in the backyards, some with corrugated metal roofs. A large green sign with gold lettering is in the top right corner. The street is paved and has a yellow double line on the side.

"Planes, Trains and Automobiles"

"Planes, Trains and Automobiles"

If you are looking to work on or refurbish a plane, train or automobiles or require space to work from home with storage options, the individual home, situated in the heart of Kettering is a unique proposition. This end of mews home has an entrance hall with original mosaic flooring, the living room has a minster style fireplace and gas fire, there is a separate dining room, modern kitchen with integrated oven, hob and fridge and a utility room and guest cloakroom. Upstairs there is a wash room, bathroom and two double bedrooms. This lovely home is complimented by gas central heating and UPVC double glazing. Outside is very interesting, double gates lead to a private driveway and courtyard area with parking for three/four cars, the warehouse is substantial with parking for eight cars and coach house area with two rooms above, offering lots of potential, and scope to run a business (subject to appropriate planning approval which the property has previously had).
