The development itself is set amongst beautifully maintained communal gardens, providing a pleasant setting for residents to enjoy. Homeavon House also benefits from a welcoming residents' lounge, communal laundry facilities and the added reassurance of an on-site House Manager, making this a comfortable and convenient place to call home.

You are welcomed into this generously proportioned apartment via the hallway which provides access to a number of rooms, directly in front is the spacious lounge, flowing over 24 feet in width, perfect to host friends and family. This room benefits views of the well kept communal gardens and access to the open plan kitchen, meaning conversations can carry on, even when prepping meals.

One end of the corridor is the bedroom which again is larger than usual for the development with windows to the rear also over-looking the garden with useful built in storage space too.

Completing this charming property is the three piece bathroom with overhead electric shower. This room is tiled throughout making cleaning a breeze.
