PLEASE CALL STRAKERS TO REGISTER YOUR INTEREST AND BOOK AN APPOINTMENT TO VIEW THE SHOW HOME and enquire about other stunning homes available in this sought-after new development.

This exceptional four-bedroom detached home is one of only two of its kind within the development. The spacious kitchen/dining room opens directly onto the garden, ideal for both everyday living and entertaining, and is complemented by a separate utility room with convenient access to the driveway. The kitchen is made by Omega kitchens with soft close doors and drawers with a built in double oven with 4 ring ceramic hob, an integrated fridge freezer and dishwasher. Upgrades are available (build stage dependent). A generous living room, downstairs W/C, and a large storage cupboard complete the ground floor.

Upstairs, the main bedroom features fitted wardrobes and a private ensuite shower room. Three additional well-proportioned bedrooms are served by a stylish family bathroom.

The property benefits from an east-facing garden and has been freshly rotavated, providing a blank canvas ready for turfing, planting, or landscaping to suit your needs. A handy outdoor tap is already in place. There is single garage (with power and lighting) and parking for 2 cars on the driveway with an electric car charging point.

Situation

The historic market town of Devizes with its stunning Georgian architecture features more than 500 listed buildings, from Devizes Castle steeped in history to Wadworth's legendary 1875 brewery. The popular weekly market dates back to 1141 and is fringed with an abundance of popular cafes and independent shops. Residents also have easy access to Stonehenge and Bath, while it's just 25 minutes to Chippenham for fast trains to London. Zephyr Place itself has been thoughtfully designed to support both people and wildlife, with green space and a strong emphasis on enhancing the area's biodiversity. From here, you have the freedom to explore miles of countryside and ancient pathways, including the spectacular Caen Hill Locks – the most impressive flight on the UK's waterways and a designated scheduled Ancient Monument.
