### Self-Build Wales Scheme

If you are interested in building your home it has never been easier to do so.

The Self Build Wales scheme, established by the Welsh Government, aims to remove the barriers and uncertainty that prevent people in Wales from building their own homes.

If you wish to find and use land (such as this plot) outside of the current Self Build Wales map, you can access the scheme to fund both the land purchase (75%) and build costs (100%), providing the land already has suitable planning permission for development. The 25% deposit for the land purchase must come from your own resources.
