In Detail

Pedder Premium - A substantial imposing family home located on the east side of the highly sought after Alleyn Road, backing onto the gardens of Alleyn Park. The home benefits from a mature perimeter planting offering significant privacy.

With an internal floor area of over 4,200 sq ft, the home has already benefited from a substantial size increase and therefore provides an ideal platform for the next owner to focus on the internal choices with much potential and not an extensive build project.

Shielded by mature planting, the house is approached by a gated secure driveway with parking for several cars. Please note gated parking is a premium on Alleyn Road due to planning restrictions. There is also a double length garage to the side with internal access to the house.

The ground floor has a spacious reception hall, three reception rooms, recently re-fitted kitchen/dining room, office/library, cloakroom, utility room and downstairs WC. On the first floor there are four double bedrooms, one with en-suite bathroom and separate dressing room and a family bathroom. The second floor has two double bedrooms and a bathroom. Externally to the rear there is a most delightful, mature garden measuring 75' x 69'.
