Renovation Opportunity – Detached Bungalow with Extension Potential (STPP)

This detached bungalow offers an exciting renovation opportunity, with excellent potential to extend (subject to the necessary planning permissions). Ideal for investors or buyers looking to create a bespoke family home, the property is offered with no onward chain.

The ground floor currently comprises an entrance hall with stairs leading to the first-floor landing, a generously sized lounge featuring a large glazed window that fills the space with natural light, and an adjoining dining area. An archway connects through to the kitchen, presenting a fantastic opportunity to redesign into a modern open-plan kitchen, dining, and entertaining space. The kitchen itself requires modernisation and benefits from a pantry and a side door providing access to the driveway.

Also on the ground floor is two double bedroom and a house bathroom, both in need of updating.

Upstairs, there are two double bedrooms, each enjoying stunning views.

Externally, the property benefits from a driveway, garage, and a lovely garden, adding further appeal and scope for enhancement.

Overall, this is a superb opportunity to transform a well-located property into a stylish and spacious home.
