Meadow View

Sea Street, St Margarets At Cliffe

An impressive townhouse situated in the centre of the village with spacious accommodation and beautiful cottage gardens.

Situation

Sea Street runs through the village of St Margaret's at Cliffe, up to the crest of the hill at St Margaret's Bay and gives you the first view out across the channel. The locality offers a good array of amenities within walking distance, including a general store, post office, primary school, hairdressers and a selection of public houses and cafes. This picturesque village has a popular sheltered beach with a cafe and public inn, surrounded by protected National Trust land, gently undulating hills and the dramatic White Cliffs. Just a few miles away, the harbour town of Dover has an impressive marina, various watersport facilities and a regular ferry service to The Continent. The charming seaside town of Deal to the North is very fashionable with its mix of traditional seaside vibe, coupled with independent shops and plenty of eateries. The A2 provides easy access to the motorway network and rail services from Martin Mill link to the Javelin high speed to London St Pancras.

The Property

Meadow View is a well presented and generously proportioned semi-detached town house originating from the inter war years, now improved and refurbished to offer a desirable family home. The property is deceptively spacious with accommodation laid out over three floors and approached from the side to a central hallway with traditional sitting room to front and including a wood burning stove. To the rear is a modern fitted kitchen, dining room with a backdrop of folding doors, bringing in plenty of light and a pleasing garden outlook. This level also houses the main shower room. The upper two levels have two bedrooms on each floor and a useful cloakroom. Concealed plumbing to reinstate a bathroom remains within bedroom four.

Outside

Meadow View is set back from the road with a front parking space. A gated side access leads to a rear paved patio and steps to a flat lawn garden with walled and wooden fencing providing a degree of privacy. The garden has a selection of planting to borders and a useful garden shed to the rear.

Services

All mains services are understood to be connected to the property.
