"Our home is a very special place and we have absolutely loved bringing up our children here. It has been the perfect family home with open plan living at the heart of all we do and many good times spent together with family and friends. With sea views to the front and woodland to the back our home feels coastal yet country so we really do have the best of both worlds! We never tire of watching the boats sail by, enjoying Clevedon's famous sunsets whilst also being surrounded by beautiful trees and nature, a truly happy place to be."
