# 59 Tresithney Road

Offered with no onward chain and occupying a good sized and very private corner plot, with a part wraparound garden, we bring to market this two bedroomed bungalow with an integrated garage, within a quiet neighbourhood in the village of Carharrack. In need of some modernisation, entry into the property is via an entrance porch with full length double glazed windows which, given its south west facing position, makes an ideal indoor spot to enjoy the sunshine on those chillier days! An internal door takes you into the hallway which links all of the internal living space. The lounge/living room is at the front of the property, overlooking the front garden. The kitchen/diner to the rear has some integrated cooking appliances within the L-shaped unit format and there is a large built-in pantry cupboard. Access can be gained to the rear of the single garage from the kitchen. In terms of bedrooms, there is a double to the front of the property that benefits from significant storage in the form of overbed and side mirrored door wardrobes whilst the second double bedroom is to the rear. Both bedrooms are complemented by a partially tiled shower room with double shower cubicle. Externally, the gardens effectively are adjoined in a three quarter wraparound format and would certainly attract a buyer with a penchant for gardening. To the front, the south west facing mature garden is private whilst the rear, equally as private, has much potential to offer in terms of landscaping and includes a summerhouse, greenhouse and shed. Location wise, Carharrack is well served by local bus routes and offers a number of amenities including a convenience store and a Chinese takeaway which are within walking distance. There is a children's park nearby and the local village hall, which we understand holds regular local events, is also within a short distance. Within a twenty five minute walk or short drive, there is a neighbouring village, St. Day, which has two convenience stores, a Post Office, butchers, pharmacy and a public house. Furthermore, the location offers many local countryside walks and the village is equidistant to both Falmouth and Truro. It also has nearby coastlines and many beaches within easy reach.
