Guide Price £285,000 - £295,000..

Internally the new owner will be welcomed in via the inviting entrance hall complete with ground floor W/C and storage.

Worthy of special mention is the impressive kitchen come diner, the main dining area measures 17'3 x 7'11 and this extends further into the kitchen area which measures an additional 6'8 x 5'4. The kitchen provides a wealth of worktop space and storage space as it extends back into the dining area. This room is flooded with natural light via the double doors which open onto the west facing rear garden.

Completing the ground floor living accommodation is the main living room. This measures 14'10 x 11'8, again, with large double doors opening onto and into the west facing rear garden.

The first floor commences with the spacious landing which allows access to the family bathroom suite and three genuine double bedrooms.

The master bedroom measures 14'10 x 8'5, bedroom two measures 14'10 x 8' whilst bedroom three is a generous 11'9 x 8'10. It is rare to find such well sized bedrooms and this would be perfectly suited to younger and growing families.

Completing the first floor is the main family bathroom suite which measures 6'6 x 5'6 and consists of the bathtub with overhead shower, W/C and washbasin.

Externally this home continues to impress with a west-facing rear garden which further profits from rear access. The front opens onto and into a family-friendly walkway.

Situated just a very, very short walk from Laindon train station providing direct links into London and within walking distance of local shops and amenities the location provides something for all ages and for all of the family. There are also local schools closeby too.

There is a wealth of communal parking just a short distance from the property too.

Internal viewings come strongly recommended so all that this home has to offer can be acknowledged first hand.
