10 St. Margarets Road

St. Margarets Bay, Dover

A charming three-bedroom detached bungalow, ideally positioned in the coastal village of St Margaret's Bay.

Situation

The property enjoys a peaceful setting in a desirable location along a private road leading towards the South Foreland Valley and the surrounding open countryside. St Margaret's provides a useful range of amenities, including a village shop and post office, primary school, cafés, traditional inns and restaurants. Regular bus services connect with the larger towns of Deal and Dover, both offering an extensive choice of independent and high street shopping. The area is renowned for its beautiful countryside, rolling landscape and spectacular White Cliffs, while the picturesque St Margaret's Bay, with its secluded beach and renowned Coastguard Inn, lies within the St Margarets Bay Conservation Area. Martin Mill mainline station is approximately two miles away, providing connections to London, including the high-speed Javelin service to St Pancras, whilst Dover's ferry port and the nearby Channel Tunnel offer convenient access to the Continent.

The Property

Occupying a pleasant, elevated position, this detached bungalow was built circa 1970 and enjoys sea glimpses between the forward facing properties in front. The accommodation flows well from the central hallway with its original parquet flooring which provides a natural divide between the principal living and bedroom areas. The dual aspect sitting room enjoys an abundance of natural light with patio doors opening to both the front and rear, while a multi-fuel burner creates an attractive focal point, complemented by a glazed conservatory overlooking the rear garden. The kitchen has a good selection of cabinets along with a storage cupboard which houses the boiler. There are three bedrooms arranged to the front and rear of the property, with the third currently utilised as a study, while a modern and practical shower room completes the accommodation.

Outside

Located back from the road, Number 10 occupies a wide and generous plot and benefits from two driveways, providing ample off-road parking with additional space for a caravan if required, together with access to a detached single garage with electric door, power and lighting. To the front, a natural garden is complemented by mature lavender bushes and a paved patio, thoughtfully positioned to enjoy distant sea views. Gated side accesses the rear garden, where a paved terrace leads onto level lawns, established planting and a selection of useful outdoor buildings, including a summer house and cabin which benefit from power being connected.
