Located within a well-maintained compound in the sought-after residential area of Mendip Road, Worthing, this spacious lock-up garage provides a practical and secure solution for parking, storage, or investment purposes. Measuring approximately 17'7 x 8'5, the garage offers ample space for a vehicle alongside additional room for bicycles, tools, golf clubs, or general household storage.

The garage benefits from a traditional up-and-over door with convenient access from the compound, making it ideal for both owner occupiers and those seeking additional storage away from the home. Garages in this location are rarely available and continue to be in strong demand due to the limited parking provisions in the surrounding area.

Situated within easy reach of local amenities, transport links, and Worthing seafront, this is an excellent opportunity to acquire a versatile and low-maintenance garage in a popular and established location. Suitable for personal use or as a long-term investment opportunity.
