£450,000

Significant reduction, a very motivated seller! Built in the 1860's for the Tyreman family, this Grade II listed, 4-bedroom Georgian farmhouse is offered for sale along with a separate 2-bedroom barn conversion, currently used as a holiday let located in the coastal town of Hinderwell. Situated within close proximity of Runswick Bay and Port Mulgrave, on the main bus route for Whitby, Staithes and other coastal towns, Holme Farm is ideally located for families and visitors alike.

The farmhouse offers excellent accommodation ranging from four well proportioned bedrooms, three reception rooms and private off-street parking for multiple vehicles, as well as the potential to convert two huge loft rooms if required (subject to planning).

The barn conversion was tastefully converted in 2022 and has been utilised as a holiday let on and off for the last couple of years, and has always been popular when available due to its close proximity of the coast. It benefits from its own electricity, gas and water supply, so easy to keep an eye on costings.

The old farmhouse to the rear is included in the sale, which was built circa 1726 and is currently used as storage, but again has fabulous potential to be converted to another dwelling!

Do not miss this opportunity to purchase a piece of Hinderwell history, along with a fabulously proportioned home and business opportunity!

Both properties benefit from gas central heating via separate combination boilers, both of which have been recently fitted and serviced. The farmhouse benefits from uPVC double glazed windows to the rear. The holiday let has a fabulous feature panoramic glazed gable, overlooking fields and moorland along with a mezzanine allowing time to sit and reflect... The barn conversion has been sympathetically converted using timbers and revealed sandstone walls, which you will not be disappointed with!

Tenure: Freehold, all on one title plan.
