Situated within the ever popular Barnfield area of Crediton, this three bedroom semi detached home enjoys an elevated position with lovely views over the town's rooftops towards the surrounding countryside. The location works particularly well for families and those wanting convenience, with schools, local walks and a pedestrian route leading down into the town centre all close at hand.

The house offers a traditional and practical layout, with a living and dining room forming the main reception space on the ground floor. The kitchen sits to the rear, alongside the family bathroom, and there is also a conservatory which provides additional space, although this is now in need of

some attention (this has been reflected in the pricing).

Upstairs, there are three good sized bedrooms, making it a comfortable home for a range of buyers. While the property has been well maintained, there is clear scope for a new owner to update and improve to suit their own style and needs.

One of the standout features here is the outside space and parking, which is not always found in this part of town. To the front, there is a lawned garden along with a double width driveway providing off-road parking, leading to a detached garage at the side. This setup not only suits those with vehicles but also offers potential to extend to the side, subject to the necessary permissions.

The rear garden is a real asset, offering a good sized and mostly level space with plenty of potential. There is also a large brick outbuilding, which could suit a range of uses for a new owner.

Overall, this is a solid and well located family home with gardens, parking and scope, offering a great opportunity to create something special in a popular part of Crediton.

GIRAFFE360

CREDITON is a vibrant market town with a bustling high street full of independent shops, eateries, and pubs. In recent years a diverse arts scene has grown to include all manner of mediums, with the performing arts making use of the town's market square where, in the summer months, a range of activities take place. The market square is also home to the town's twice-monthly farmer's market. The town has an equally significant past. It was originally the first Bishopric in Devon and the imposing Parish Church of The Holy Cross now stands where once stood Devon's first Saxon cathedral (909-1050AD). It is also the birthplace of Saint Boniface, one of the founding fathers of the Christian church in Europe. Easily commutable to Exeter and with two primary schools, a secondary school with sixth form as well as a wide range of necessary amenities, it's clear why the town is a firm favourite with locals and relocators alike.
