Outside

To the front of the property is a resin driveway providing off-road parking for multiple vehicles, enclosed on either side by a brick wall surround. Steps lead up to the main entrance door, with outdoor lighting enhancing the approach. There is also gated side access.

The side and rear garden is well-proportioned and thoughtfully arranged, featuring a raised decking area with decorative planters and steps leading down to an artificial lawn. A pathway continues through the garden, which benefits from mature trees and shrubs. The garden is divided into two sections by a brick wall with gated access, leading to a further laid lawn area at the rear. Additional features include a pedestrian access door to the garage, a summer house, timber storage shed, outdoor tap and lighting. A hot tub is available by separate negotiation.

Garage

7.45 x 2.80

The property benefits from a large garage with an up-and-over door to the side, offering excellent space for parking, storage, or use as a workshop. The garage includes a UPVC double-glazed window to the rear, lighting, power sockets, and a UPVC pedestrian door providing direct access to the rear garden.
