The Agent that goes the Extra Mile

This attractive end-of-terrace cottage occupies a highly desirable position with far-reaching countryside and sea views. Set within an idyllic village setting on the outskirts of Trefin and near Square and Compass, there are lovely countryside walks on the doorstep. The popular village sits within the stunning scenery of the Pembrokeshire Coast National Park, offering some of the most beautiful coastal landscapes in the UK. The property also benefits from convenient access to a local convenience store, petrol station, and traditional public house, all within easy reach. Viewing is highly recommended to fully appreciate the setting, space, and versatility on offer.

Currently operating as a well-established holiday let, the property also presents an excellent opportunity as a family home or a peaceful coastal retreat.

On the ground floor, the accommodation begins with a welcoming entrance porch leading into a bright and comfortable living room, enhanced by a feature log burner and dual-aspect windows that maximise the stunning surrounding outlook. Additional ground floor benefits include useful under-stairs storage, a well-appointed kitchen that flows through to a formal dining room, as well as a rear porch and practical utility area.

Upstairs, the first floor offers four double bedrooms, along with a contemporary family bathroom. The two front-facing bedrooms particularly stand out, both enjoying superb open views across the surrounding countryside and towards the coast.

Externally, the property enjoys an attractive front garden, bordered by a traditional stone wall and mainly laid to lawn, with a selection of established plants and flowers adding colour and charm. A side entrance gate provides convenient access to the rear of the property, where there is an enclosed raised lawned garden together with a paved patio seating area, ideal for outdoor dining and relaxation. The rear garden also benefits from wooden gates offering useful rear access to the property.

Further enhancing the property's appeal are modern energy-efficient features including underfloor heating and solar panels, combining comfort with sustainability in this charming coastal home. There is also ample on street parking available.

The coastal path offers lovely walks, and the rocky coves of Abercastle, Aberfelin and Aberiddy are all within easy reach, whilst the sandy beaches of Traeth Llyfn and Whitesands are within 10 - 15 minutes' driving distance. The Strumble Shuttle bus service passes through the village during the summer months. The nearest convenience store/petrol station is only a mile or so away at Square and Compass. There is also a school bus, servicing both local primary and comprehensive schools that stops in the village.

DIRECTIONS

From Fishguard, take the A487 towards St Davids, and turn right signposted for Trefin just after the pub and petrol station in Square and Compass. Continue down the road and the property will be found on the right hand side. What/Three/Words:///jumbled.youngest.absent
