Set within the heart of the highly sought after village of Wrington, 5 The Cottages is a delightful period home brimming with charm, character and a wonderful sense of history. Lovingly cared for by the current owners, the property offers a warm and inviting atmosphere together with a flexible layout suited to modern living. The front door opens directly from the pavement into a traditional entrance hallway which leads through to the principal reception spaces. To the front of the property is a cosy sitting room, currently arranged as a bedroom, while at the centre of the home is a charming reception room featuring a traditional open fireplace. A perfect setting for relaxing and cosying up on winter evenings. The kitchen has been thoughtfully reconfigured to create the true heart of the home. Beautifully appointed with shaker style wall and base units, the space comfortably accommodates a dining table and benefits from skylights which flood the room with natural light. Patio doors open directly onto the garden, creating an effortless connection between indoor and outdoor living. A convenient downstairs WC completes the ground floor accommodation. Upstairs, the cottage provides two well proportioned bedrooms and a family bathroom. In addition, there is a useful loft room, currently utilised as a study, offering valuable additional space for home working or hobbies.

The gardens are a particular feature of the property. Extending to over 187ft in length, they provide a wonderful retreat with a variety of mature shrubs and planting. A patio area provides the perfect setting for al fresco dining, whilst the rest of the garden is mainly laid to lawn, unfenced and includes a covered seating area. The garden provides an ideal space for children to play or for the potential of a vegetable patch and even keeping chickens, completing the quintessential cottage garden.

Properties of this nature are rarely available within the village and early viewing is highly recommended to fully appreciate all that this charming home has to offer.

Wrington is widely regarded as one of North Somerset's most desirable villages, offering an excellent range of local amenities including independent shops, a chemist, post office, veterinary surgeries and a variety of well-supported clubs and societies. The village benefits from a popular primary school and falls within the catchment for Churchill Community School. Bristol and the motorway network are easily accessible via the A38 and A370, while the surrounding countryside including the Mendip Hills Area of Outstanding Natural Beauty, Chew Valley Lake and Blagdon Lake provides exceptional opportunities for walking, sailing, fishing and outdoor pursuits.
